With stringent fire and accessibility regulations to adhere to and different door aesthetics to consider, choosing the correct door closer can be daunting. Thoughtful door control specification brings:

- Legal compliance with Construction Products and Fire Safety regulations
- Ease of access and compliance with Accessibility requirements
- Improved functionality and aesthetics of doors
- Reduced damage to walls and doors
- Reduced building maintenance costs

Try the range of DORMA door closers in a working environment in the DORMA Showbus. Receive expert advice and training on the full range of product options.

## Products featured include:

### Door Hardware

- Cam action door closers
- Rack & pinion door closers
- Concealed door closers
- Floor springs
- Electro-magnetic & Free swing options
- Door furniture
- Locks
- Panic Hardware

### Glass
